

St Luke's CE Primary School

Reception Class Handbook

Dear Parents,

Welcome to St Luke's C of E Primary School! We had a lovely couple of weeks meeting the new children and getting to know them before the holidays. We are now looking forward to settling them into a routine and taking them through the first year of the learning journey.

Learning Journeys and Children's Achievements At Home

Children's learning in Reception is documented through their 'Learning Journeys', which many of you will be familiar with from your children's nursery settings. These include photos, notes, pieces of work and comments from children showing what they can do and what they have achieved.

This year, we will be using an electronic format for our Learning Journeys, called *Tapestry*. This will allow us to add video and picture evidence, as well as making it easier to share with you on a more regular basis. You will be able to access your children's observations via the Tapestry App that you can download to your phone or tablet. You will shortly receive an email asking you to set up a pin and password for your child's Tapestry Account, can you please ensure that do this as you will also be able to add your own entries to your child's journal, sharing visit and experiences from home. **Please be assured all photos, details, comments etc. are completely confidential and shared only with members of staff, and yourselves once you have access (to your child only). They are not available to view online without our login details.**

If your child receives any certificates out of school or just does something that they are very proud of we would like to celebrate this with the rest of the class and the school. In the Friday afternoon assembly we have a time for children to come out and share their achievements with the rest of the school.

Homework

There is no formal homework for reception children to complete, other than reading and Sign and Shine work (see below). We may on occasions send home activities linked to their current work in class and we would greatly appreciate your support in helping them to complete this. **If at any point you have any concerns about your child's development, or would like more information or advice on ways to support them at home, please do ask us.**

Home Reading

We teach reading through a combination of Sign and Shine and phonics. Sign and Shine is a great way for children to learn key words by also learning how to sign them using Makaton (as some of them may have seen on TV programmes like Something Special). We will hold a parent workshop to give you more information about this later in the half term. Dates will follow.

Once the children are settled, they will all be given one of our “scheme” reading books that we would like you and your child to share together. Initially they may be unable to read this book independently, and that is fine, independent reading is not the main objective, what we want to develop is a love of reading for both you and your child from the very beginning of their education process. **We ask that you ideally read with your child at least 3 times a week, whenever possible and record each read in their reading record, this will be checked every week and their book changed weekly.** However, if your child has read their book more than once, fully understands it and you have commented on their reading of that book, then we will have a box at the classroom door for children to place their folders in and we will endeavor to change them that day so they can continue to develop their love of reading. Children may also read magazines, comics, books from home with you and we would love for you to write about any extra reading they do in their reading record also. Weekly reading comments will be rewarded and each child will have their name put in to the class reward jar, the more they read the more times their name will go into the jar. Each week a name will be drawn from the jar in our ‘Friday Achievement Assembly’ and that child will get to choose a special treat.

Once your child recognises their first set of keywords they will then be given a “First Words” book, these books are linked to the set of Sign and Shine words your child has recently learned, and they should then be able to read these books independently and can use their signing knowledge to support their reading process. **We will also be reading with children in school, so it is important that your child brings their book in their book bag to school every day.**

Reading with your child regularly and helping them to practice their own reading skills really does make a big difference and we really appreciate the time you take to do it. If you need any support or advice with this, please come and see us.

Reward System

Children respond and learn best when their efforts are recognized and praised, this can include being a good friend, good behaviour in school, trying their best with a task, being helpful, reading at home or sharing their home experiences in their journal. If your child is recognized for doing any of these things their name will be put in our class reward jar, each week one name will be drawn from the jar and that child will receive a reward for their efforts. The jar will then be emptied ready for the next weeks achievements and the weekly winner will be drawn out Friday 'Achievement Assembly', parents are very welcome to attend this each week.

PE kits

Children will have PE **Thursday**. Children should bring a PE kit into school in a St. Luke's PE bag, (which can be bought from school at a cost of £3-00), **with everything clearly named**. P.E kit consists of a yellow t-shirt, blue shorts and black P.E pumps, we suggest that you also include a spare pair of socks and underwear also just in case. This will be sent home at the end of each half term to be washed and should be returned when children come back to school after the break.

Can we please remind you that children are not permitted to wear earrings during P.E and these must be removed before coming to school on their designated P.E day.

Wellies

Children love to explore our brilliant new outdoor space and Forest Fun area. However, it can get quite muddy especially when it has been raining, so if your child could bring a spare pair of wellies (with their name written inside) to keep in school that would be a big help. Don't worry if your child doesn't have a spare pair there are a few pairs that we have in school. However we do not have enough for everyone.

Our Creative Area

We would really appreciate it if you could bring in any empty cardboard boxes, newspapers, buttons, material, tubes (no toilet rolls please). The children love to make models of all sorts of things and we use them all the time.

We would also really appreciate any comics or magazines suitable for children to use either as reading material in our reading area, for our role play area, or to cut up for collage in the creative area.

Keeping in Touch

A newsletter will go out to all parents in school regularly to keep you informed about some of the activities and experiences children are taking part in within the whole school.

Reception's page on the school website will have more information about what we are learning in class.

Our Twitter account can be accessed through our website and this will contain more regular updates about what we are doing and reminders about what's coming up.

We also have an assembly each Friday afternoon, which celebrates events and achievements throughout the school that week and you are very welcome to attend this. Children love seeing you there!

If at any time you have any questions or worries, please see Miss Campbell, or Miss Metcalfe.

We hope this helps you get to know a little bit more about our class and we look forward to getting to know you and your child.

Thank you

Miss Campbell

Message from the Headteacher

Dear Parents,

This booklet has been written to provide you with information about St Luke's CE Aided Primary School for the coming year. We have tried to set out the information as clearly as possible but should you have any queries or concerns please do not hesitate to contact the school.

Information can also be found on our website, www.st-lukes.oldham.sch.uk. News and other information will be updated on a regular basis. We also, at times, send messages via our text / voicemail messaging system which can also be used by parents to report absences telephone no: 0161 375 0042

We look forward to working with you this forthcoming year to ensure your child makes good progress and enjoys school in a safe and caring environment.

Please remember you are more than welcome to join us for our end of the week assembly each Friday at 2.40pm.

Yours sincerely

Mr Ian Walsh

Mrs Kenyon
Mrs Khanom

Key Information

ARRIVAL AT SCHOOL AND HOME TIME

School opens at 8.50 a.m.

The children come in through the playground to the classroom door, where they will be met by the class teacher.

The doors open for children at 8.50am ready for lessons to begin at 9.00am. It is essential that children are seated in their classroom at this time for a prompt start to the day. Please be punctual and allow your child to come into school independently.

Should there be an occasion when you arrive after 9.00 am please report to the school office via the Main Entrance.

School finishes at 3.15 p.m.

Please be in the playground at 3.10 p.m. as younger children can get very distressed if parents are not present when the doors are open. In the infants, each child is dismissed individually as we see each parent. Junior children make their own way out to meet parents but are instructed to come back into school immediately if their parents/carer are not there.

Should you be running late for any reason, please telephone to let the school know so that children can be looked after. **From 3.30pm children will be placed in after school club and parents will be charged £6.00 per child payable on collection.** Please refer to our Uncollected Child Policy for further details.

We do not allow smoking or dogs in the school playground.

For safety reasons may we remind parents NOT to park in school grounds or on the restricted areas outside the school gates.

SCHOOL BAGS

Your child will need a schoolwork bag to take reading books, their own work and school letters home. Please send the bag into school every day. The St Luke's book bags (£3.00) are available from the school office at the main entrance.

BREAKTIME

We provide milk and fruit for children in Reception, Year 1 and Year 2 classes at break-times. We also have a 'fruit shop' where children in Years 3, 4, 5 and 6 can buy fruit.

LUNCH

We would like every child to take advantage of our excellent healthy school meals by having a school dinner. Our school cook provides an extremely extensive menu of very nourishing, well-balanced meals that all our children thoroughly enjoy.

We are a Healthy Eating School with several certificates and awards for promoting good practices for health and well-being.

PACKED LUNCHES

If your child chooses to bring a packed lunch to school, can you please ensure that you send them in with a healthy meal. We do not allow children to bring in chocolate bars, fizzy drinks or sweets.

DINNER MONEY

Dinner money needs to be paid in advance as we have no credit facilities. It should be sent in with your child each **MONDAY MORNING**. The correct amount for the week of £11.50 should be in an envelope clearly marked with your child's name, class and amount. Please hand dinner money to the class teacher or put it in your child's bag for them to hand to the teacher.

FREE SCHOOL MEALS

If you think your child could be entitled to Free School Meals then it is essential that you apply to the Welfare Benefits Department at the Civic Centre, Oldham (0161 770 6688).

EXTRA-CURRICULAR ACTIVITIES

There will be a variety of activities on offer throughout the year. Your child will be bringing home the details in the near future of any clubs they would like to take part in.

SWIMMING

It is a requirement of the National Curriculum that all children attend swimming lessons during Key Stage 2. Year 4 children will be going swimming every Friday throughout the school year. Please ensure that they always bring their swimming kit to school (trunks or swimsuit, towel and swimming cap) as it is important that all children attend the swimming classes. Please ensure that swimming caps are provided for all girls and any boys with long hair. No jewellery should be worn.

MOBILE PHONES

If your child brings a mobile phone in to school it **MUST** be handed in to the class teacher at the beginning of the day. It will be handed back to your child when school finishes at 3.15pm. If you need to get a message to your child during the school day then please contact the school administrator on 0161 770 8404 and they will ensure any messages are passed on.

BIRTHDAYS

We always celebrate your child's special day in class and at the end of week assembly. There is no need to send anything into school for birthdays such as sweets, crisps, etc. as we are a healthy eating school and are unable to give them to the children, which can cause upset.

JEWELLERY, MAKEUP & HAIR

For Health and Safety reasons, children should not wear any jewellery for school, including earrings. We do not allow any children to wear makeup for school. Can we please also ask that any extreme haircuts and hair colouring are left until the school holidays. Girl's hair should be tied back away from their face.

COATS

Please send your child with a coat every day as the weather is so changeable. We play outdoors at break time and lunch time, so a coat with a hood is preferable.

SCHOOL UNIFORM

All children in school must wear our uniform. **Please ensure all uniform items are clearly labelled with your child's name**, as we cannot take responsibility for the loss of personal items.

The uniform items are:

- Royal blue school sweatshirt or cardigan with **school logo**
- Yellow polo shirt with **school logo**
- Grey trousers for boys. Grey skirt or trousers for girls
- Yellow and white gingham summer dress for girls
- Black school shoes
- White/grey socks or grey tights
- Royal blue book bag with **school logo**
- Hair accessories **must be** in school colours (blue, yellow or white)

Please **do not** send your child in coloured/patterned socks or tights.

PE Kit (which should be kept in school in a school PE bag):

- Navy blue shorts
- Yellow round neck T-shirt with **school logo**
- Black pumps
- Royal blue school PE Bag with **school logo**
- 2 x Spare socks and underwear

Optional items (with school logo):

- Waterproof fleece lined school coat
- Hooded PE Jacket (Juniors only)
- Legionnaires cap
- School cap

All items with the school logo are only available from the school office.

Please note that we send home PE Kits every holiday to be refreshed and to check shoe size, as your child may need the next size of school pumps for the next term.

ABSENCES

Parents need to contact school before 9.00am if your child is unwell and is not able to attend school.

The school operates a text service the number is **0161 375 0042**.

The school telephone number is **0161 770 8404**.

If we do not receive notification of absence there may be a telephone call/text to you to verify the reason for absence.

HOLIDAYS DURING SCHOOL TIME

Good attendance is key to good progress. Parents **do not** have the legal right to take their child out of school on holiday during term-time and holidays during term-time can have a detrimental impact on your child's educational achievement.

School will NOT authorise any holidays during term time. Please note that a Penalty Notice can be issued when there are at least 5 days unauthorised absence (equivalent to a week's holiday) recorded on your child's register.

If you have any questions about this matter, please do not hesitate to contact Mrs O'Hara in the first instance. A list of the school holidays for 2019/2020 is printed at the back of this handbook and is also available on our ParentApp

PARENTAPP

By downloading our Parentapp Connect System you will gain access to our calendar, event information, newsletters, letters home, website, social media and much more. You will also be able to report absences and update your contact details from within the app. It also allows multiple family members to register, ensuring that the right people have access to important information regarding your child. If you require any help downloading the app please contact the school office.

MEDICAL INFORMATION

If your child has any specific medical requirements please inform the school. Should your child feel unwell during the school day we will always contact you if we feel your child needs to go home. Please ensure that you provide an obtainable emergency telephone number, preferably a land line number as we do sometimes have an occasion to send a child to hospital for emergency treatment and need to be able to inform you of your child's condition.

Should your child experience diarrhoea or vomiting, a minimum of 48 hours away from school is required to avoid the risk of infecting other children.

MEDICAL APPOINTMENTS

It is really important that dental and doctor's appointments are made out of school hours. We appreciate that this is not always possible but children do miss vital lessons when they are taken out of school during the school day. You must show an appointment card for any appointment in school time. Failure to do so will result in the absence being recorded as unauthorised.

BEFORE AND AFTER SCHOOL CLUB

The Breakfast Club runs from 7.45am – 8.50am (£5.00 per session). The After School Club session runs from 3.15pm – 5.30pm (£7.00 per session). We are proud to support our parents by accepting childcare vouchers for both breakfast and after school club. To discuss this further please contact Mrs Trickett in the after school club.

The entrance to both of these clubs is now at the side of the school building and not at the main entrance. Further details and admission forms are available from the school office.

CELEBRATIONS

We always like to celebrate achievements in our school.

We award team points, stickers and certificates to motivate the children to work co-operatively and behave appropriately.

Children are also encouraged to share the accolades they achieve out of school by bringing in cups, trophies, medals and certificates to the Celebration Assembly on Fridays.

The Celebration Assembly takes place every Friday at 2.45pm in the school hall. All parents, friends and carers are welcome to attend.

What your child needs for school:-

- School uniform
- School P.E. Kit in a P.E. Bag.
- 2 x Spare socks and underwear
- Wellington boots
- Warm Coat
- Hat & Gloves
- Book Bag

Please can you ensure that all items of clothing have your child's name on them in a permanent marker or are fixed with non-removable name labels.

Safeguarding Children

Parents should be aware that the school would take any reasonable action to ensure the safety of pupils. Where the school is concerned that a child may be the subject of ill treatment, neglect or other forms of abuse, staff must follow Oldham Child Protection Procedures and report their concerns to Oldham Social Services Department.

Their Time at School

- Talk to them about school and share their enthusiasm when telling you about their day
- Read with them on a regular basis
- Help them to listen to others
- Help and encourage them with their homework
- Make sure your child is always wearing their full school uniform
- Make sure they have a good night sleep, as not doing really does affect them
- Make sure they have a breakfast every morning
- Make sure your child arrives on time
- Ensure sure your child is aware of who is collecting them from school each day
- To remember their lunchbox everyday (*if on packed lunches*)

Your Concerns

There may be issues that arise once your child has started school. Please feel welcome to contact school to discuss any issues you may have about your child. Your first point of contact should be your child's Class Teacher.

Head Teacher: Mr Walsh

Deputy Head Teacher: Mrs Dickinson

Safeguarding & Pastoral Lead: Mrs O'Hara

Anything Else

Please feel free to pop in to school and speak to our administration staff for any other help and support that you may need.
