Year 2

Our class visited the [Blue Planet Aquarium](#) on Wednesday 1st May. We had an amazing time and enjoyed looking at all of the habitats that had been created there. We really liked looking at the different types of frogs and the crocodiles. However, our favourite areas were the ocean tanks with the clown fish and sea horses. The most exciting part of the trip was walking through the shark tunnels where we got very close to some huge sand tiger sharks and stingrays. We had a great day!

On Tuesday 7th May, Year 2 went to [Castleshaw](#) to investigate the water habitats in the countryside. We had an exciting adventure looking for clues to see what animals lived in the valley around the Castleshaw Centre. We had fun wading through the river and climbing up to the reservoir. The best part of our day was when we got to go pond dipping with our nets. We were amazed at all the creatures that we found living in the pond! It was lots of fun and we would love to do it again.

Year 6 - SATs

And we have finished !!!

Well done Year 6, you have been absolutely amazing. A big thank you to our fantastic cook [Karen](#) for providing an excellent breakfast every morning.

After the SATs had finished, Year 6 had a surprise trip last Friday to the Cinema to watch 'Dumbo' and were treated to lunch at Frankie and Benny's.

Singing Challenge

Maddie, Amy, Jo-Jo and Ellie had a fantastic morning at Revolution Radio on Wednesday 22nd May, talking about the GMMH singing challenge [@Oldhammusic](#).

Well done to the girls for their amazing singing on the radio, we are all incredibly proud of you.
