February Newsletter

Year 1

Mrs Williams from Oldham Council/Unity Partnership came to visit Year 1 to teach them 'road safety training'. All the children were taught how and where to cross the road safely. Could we take this opportunity to remind parents who drop off or pick up by car not to park on the yellow ziz-zags or block our emergency access drive.

Year 3

On Wednesday 8th January Year 3 enjoyed a visit from Manchester Museum's inflatable museum. The inflatable was filled with real-life ancient Egyptian artefacts, which we had to study and decide who they could have belonged to. We worked in groups to present our findings to the rest of the class. Our favourite part of the experience was having a go at being an embalmer and wrapping up our friends as mummies!

Year 4

We all had a wild day at Chester Zoo.

We saw elephants, giraffes, chimpanzees and sloths just to name a few. We also found out lots about our new topic, 'Rainforests'.

Super day Year 4!

Year 6

We had visitors in school from Yorkshire Bank in Oldham to talk about 'what banks are' and 'how we can use them'. The children asked lots of interesting questions.

School Inspection

As you will be aware, we were visited by Inspectors recently. We are still awaiting the report but as usual, they acknowledged the strengths of the school and also the areas where further improvements could be made.

They were particularly impressed by the behaviour, conduct and manners of our children as are all people who visit our school.

Safety

For the safety of our pupils, **no dogs** are allowed onto the school grounds except for assistance dogs.

Oldham Library – Harry Potter Family Fun
