together in faith*

23 October 2020

Dear Parents /carers

Today is the last day of what has been a very different half-term. I would like to take this opportunity to thank you for your support for the new arrangements we have had to put in place because of COVID.

Credit must also be given to the children for the way they have conducted themselves in and around school, settling into their new class and new routines. We have been quite fortunate compared to other schools in that we have only had to send one class home to isolate this half term.

When we return after the half term break Oldham will still be in Tier 3 restrictions and I would ask that you continue with the social distancing requirements when bringing and collecting your child(ren) to and from school.

Could I also remind you that should anyone in your household be tested for COVID then the children do not attend school until a negative result is given. If a positive result is returned for anyone in the household then children should, along with the rest of the household, follow the isolation requirements.

Please remember if your child is displaying any symptoms they should not attend school. Please see the Advice for Parents leaflet on our website.

I would be grateful that if any time over the half term break your child or household member tests positive for the virus you let school know via email info@st-lukes.oldham.sch.uk detailing the first signs of COVID and the date of the test which will enable us to advise when your child can return to school

Once again thank you for your continued support

Mr I Walsh

Headteacher
