Shower & Go Facilities at Oldham Leisure Centres – see next sheet

What is Shower & Go The Shower & Go scheme is an opportunity for all Oldham residents to have a warm shower in our facilities for free. This is accessible for all. With the increasing cost of living, we came up with a way to use our facilities to help the community. We will be offering the use of our accessible showers out to anyone that needs them. All you will need to do is sign up and you can use the facilities whenever you need.

How do I sign up? You will need a Shower & Go card to access the facilities. You will receive a card when you visit one of our centres listed below. We will need just a few details from you, like your name, contact number and address, but if you do not have a home address this will not be an issue in signing you up. Once you have a card, you will be able to scan in and use the shower facilities whenever you need. If you want to sign up as a family, this will be an option. Children under 16 will not need to sign up and will be a part of your account. This card can then be used by anyone in your family individually.

Do I need to bring anything? We will provide soap but you will need to bring your own towel. Showers will be limited to 10 mins per person.
