

### **HAF (Holiday Activities & Food) Programme**

The Holiday activities and food programme (HAF) is a government initiative funded by the Department for Education (DfE) for children and young people aged 5 to 16 years who are eligible for benefits related free school meals (FSM). Those who are not eligible for the FSM benefit may still be able to participate at a small cost.

HAF aims are for our children & young people during the school holidays to:

- Have fun
- Socialise, make and meet friends
- Enjoy healthy hot food
- Take part in a wide variety of enriching activities
- Learn and play
- Plus much more!

We advise parents to keep an eye on the website for the programme to go live and then talk to the organisations and book their children on the activities as soon as possible.

Delivered: School holidays Easter, Summer and Winter
